Include two additional paragraphs on back or on attachment.

1. Brief statement (100 words max) from camper on why he or she would like to attend Camp Quest in the Smoky Mountains. This statement will not be judged as if it is a contest. It is strictly to ensure the young person is interested in the camp.
2. Brief statement (100 words max) from parent, grandparent, guardian or camper regarding volunteer activity done by someone in the family recently. This could be as simple as time spent by parent in the child's school, or a bake sale. As humanists, we're interested in action that makes the world a better place, but we understand that this often happens in small ways.
